~ Prayer to Saint Michael ~

St. Michael the Archangel, defend us in battle.

Be our defense against the wickedness and snares of the Devil.

May God rebuke him, we humbly pray, and do thou, O Prince of the heavenly hosts, by the power of God, thrust into hell Satan, and all the evil spirits who prowl about the world seeking the ruin of souls. Amen.

Miracles Happen Here

Like Elijah and Moses who show up with Jesus at His Transfiguration, there are times in our lives when we are reminded that the lives of our loved ones continue on after they pass. While conjuring and séances are strictly forbidden in the Church, there are times when we are unexpectedly given a definitive message of this ongoing existence of family or friends who have died. The following is one such story from a daily Mass attendee who wishes to remain anonymous.

Back in the good old days before gambling came to Atlantic City, Mommy would save dimes all year in a Hershey can. As girls, my sisters and I would marvel at the weight of the full can when she and her friend finally had enough money to take their annual bus excursion from Philadelphia to the shore for a day trip. When Mommy passed, my sisters would good naturedly joke that they would be in touch with her through the dimes they found at strategic moments. I had gotten very few “dime messages” and never at any special time.

When my sister Jeannie died, I had to fly to her city and rent a car to attend her funeral. When I picked up the car - right there, on the floor of that rental car – I found a dime! A God wink. The story continued when, about a year later, my sister – a religious sister – Sr. Anne Marie passed away. While I was at the car wash sprucing up the car to prepare to drive in the funeral procession, I was thinking about my two sisters. Where are they? Are they together? I hope they are already in Heaven! And when I went around the other side of the car to vacuum I found two dimes side-by-side on the ground. Mom wanted me to know that all is well. At least that's my interpretation and I found it very comforting.

Perhaps there are no co-incidences. God’s blessings abound if we are attuned to them.

We would love to share your miracle stories. Please send them to conniemcilwain@hotmail.com
