Amen.

MIRACLES HAPPEN HERE

St Anne's in Haines City FL, is home of the Eucharistic miracle where the blood appeared on the purificator cloth used to cover the area where a concecrated host had been dropped. Jendayi, a friend from the Diocese of Wilmington, was so impressed by the story, that she made a point to visit the church and the shrine erected on the site of the dropped host. After mass, she greeted a group of Filipino ladies who recognized her and described her son, who was not with her. It was her first visit to the church. They were sure she had been there before. The experience stuck with her and so when Fr. Blount, a current Catholic mystic priest who does inspirational retreats specializing in Eucharistic miracles, was coming to Malvern Retreat House in our Archdiocese, she asked a friend to attend with her. Here is their story:

When my friend Emelce and I went to the Fr. Blount retreat in Malvern PA, it seemed like everyone there had a beautiful mystical experience with Our Lord which they joyfully shared with the group. Of course Fr. Blount himself, recounted many more such happenings that he had experienced or heard about in his ministry. Inspiring as these were, Emelce got the distinct feeling she had been cheated out of something very personal and very holy as she had never had a similar experience. It was with this sadness that she tearfully lamented to me "I have been a faithful Catholic my whole life, why hasn't God ever given me any miracle?" I explained that sometimes we are more blessed when God trusts us to love Him without supernatural signs, but she remained sad, so I suggested she bring it to Jesus in Eucharistic adoration on the next available opportunity which was the following Monday in St. Patrick's church in Havre de Grace MD.

We attended church that Sunday at Good Shepherd, where those who receive communion kneeling and on the tongue are requested to receive last. Emelce was the last communicant. She was obliged to receive from the Eucharistic minister as Father had recently undergone foot surgery and was unable to stand long enough to distribute the sacrament. As Emelce, knelt closed her eyes and waited for the host, it did not come. Opening her eyes, she realized the minister had dropped the host and was now searching the area for where it had fallen. Emelce joined in the search, shaking her veil and examining the creases in her dress. Nothing. The commotion went on long enough that Father hobbled down from the altar to see if he could help. The host had simply disappeared, so Emelce was given another, and mass proceeded to the end.

The next day, I entered St. Patrick's for Adoration and was shocked to find Jesus alone and unaccompanied by any adorer. I made my way close to the monstrance with the intention of making reparation for this breach in protocol, when I saw Emelce - tiny and sobbing between the kneeler and the pew in the front row. I gave her privacy, and when other adorers had entered to replace us, I caught up with her outside. It was then that she told me what had been revealed to her as she prayed before Our Lord. During prayer, she had been given a vision of two angels (one of which is presumed to be her guardian angel) who explained to her that they had taken the vanished host from the previous day to a person who was starving for the Lord because they were in prison and had been denied the sacrament. Emelce had gotten her Eucharistic miracle at last!

We would love to share your miracle stories. Please send them to conniemcilwain@hotmail.com

Parish Enthronement Weekend-December 5 & 6

Devotion to the Heart of Jesus has existed throughout much of the history of the Church. However, in France, in June of 1675, Jesus instructed Saint Margaret Mary Alacoque that He wished devotion to His Sacred Heart be made known to the world. He gave her Twelve Great Promises for those devoted to His Sacred Heart. One of those promises is, "I will bless the homes in which an image of My Heart is exposed and honored." At all of the Masses on **December 5 & 6**, enthronement packets will be distributed, which will include beautiful images of Jesus and Mary. You are encouraged to get the images framed and then come together as a family to put the images in a place of honor, while saying prayers to enthrone the Sacred Heart of Jesus in the home and consecrate your family to the Immaculate Heart of Mary. This is a simple, yet very powerful way to obtain blessings and graces for your families.

Dominic Sceski, a parishioner of Sacred Heart Church, and five other seminarians from Philadelphia just received Admission to candidacy for Holy Orders. What does this mean?
Admission to candidacy for Holy Orders is a public, liturgical recognition by the Church that a person seeking the diaconate or priesthood has reached a suitable point in discerning and preparing for that vocation. The candidate publicly expresses his intention to offer himself for sacred ministry, and the competent Church authority accepts that intention.
Congratulations to Dominic and his fellow seminarians.

Congratulations to Our Confirmation Candidates!

Sacred Heart Parish extends its heartfelt congratulations to all those who recently received the Sacrament of Confirmation! May the gifts of the Holy Spirit strengthen and guide you as you continue to grow in faith and live out your commitment to Christ.

We would also like to express our sincere gratitude to everyone who helped make this special celebration possible, including Bishop Cooke, Father Anthony, Deacon Watkins, catechists, sponsors, families, volunteers, and all who worked behind the scenes. Your time, dedication, prayers, and support helped make this a truly memorable occasion.

Congratulations to our newly confirmed, and thank you to all who made this beautiful celebration so special!
