~ Prayer to Saint Michael ~

St. Michael the Archangel, defend us in battle.

Be our defense against the wickedness and snares of the Devil.

May God rebuke him, we humbly pray, and do thou, O Prince of the heavenly hosts, by the power of God, thrust into hell Satan, and all the evil spirits who prowl about the world seeking the ruin of souls. Amen.

Miracles Happen Here

We all know someone, likely more than one person, who has multiple health problems, financial difficulties that dog them constantly, or relationship situations which don't ever seem to get resolved. When a solution is offered, there is always some excuse why that won't work in their circumstance. These are the people who are shutting out God's grace and have become too prideful to accept His miracle. Prideful? These folks are hurting! Hear me out.

Emmet McGraw turned 70 last year. When he walks into a room, no one turns their head; no one wants to hear his story. He's a dad and probably a granddad at this stage of life. No different than you or me. No one knows that in 1973, Emmet McGraw was effectively given up for dead. As a recent graduate of St. Joseph's Prep in Philadelphia, his VW bug had been hit head-on by a drunk teenager in Wildwood, the South Jersey party town where Catholic school grads went for 'senior week', which is considered a rite of passage every year. His parents were informed that their son had died and the family prayed the entire way as they made the trip to the shore. When they arrived, they were told that faint signs of life had been detected while they were en route and they could say their good byes but he would be gone before morning. Emmet didn't die that night, nor the next. He didn't die any other day following. His brother Steven, sensing the fight buried deep inside his younger brother, gave up his post graduate plans of Europe and work, to bring Emmet back.

Through painstakingly slow, step by step methods, Emmet accepted his brother's and girlfriend's assistance and by early 1974, he had gone from what was at the time called a vegetative state to being normal in the eyes of the world. Emmet was humble enough to accept mundane normalcy resulting from the miracle of a brother's love and the power of prayer. He doesn't roll into a room in a wheelchair or speak with a slur. He draws no attention from strangers. But he knows Who is responsible for his healing. Read Emmet's story in the fictionalized account based on his life written by his brother Steven titled *Totaled*.

Humility opens us to God's grace, especially in the form of the advice and sacrifices of those close to us. Refusal to try a suggestion from a loved one, non-acceptance of a job when you're unemployed simply because "I don't want to do that", or rejection of a suitor because he or she isn't the ideal you have in mind, are all forms of pride which shut out God's love. Throwing away God's favors simply because we are not humble enough to do things according to God's plan is the number one reason why so many of us live life in misery.

Father Mike Schmitz says, "The difference between 'I give up' and 'I surrender' – is God." Emmet McGraw never gave up, but he surrendered. Accept the miracle with humility my friend – Jesus loves you with an everlasting love.

We would love to share your miracle stories. Please send them to conniemcilwain@hotmail.com
